## MEDIA PERMISSION FORM 2007

Dear Parents,

There are many great programs and exciting things that happen at our school. It is our intention to celebrate these successes through stories, photos and articles in the local media. It is also possible for students to feature in articles in the Education Times, which is a Department of Education & Training publication.

Apart from children's work or comments there might also be a photograph. There may be occasions, opportunities for your child to feature in TV or radio coverage.

All contact with the media outlets will be under teacher supervision. Children's surnames will not be used.

Please complete the form below which gives your permission or otherwise for your child to be involved in media coverage during 2007. This form is to be returned to your child's class teacher as soon as possible.
