

My School;  
Perseverance Primary  
School.

We all get our own chickens! The chickens' names are: Natasha, Feathers, Lily, Daisy, Liana and Zebra. We also have a rooster named Spartan. Daisy is clucky. We are hoping to get chicks pretty soon!

We all get our own computers! My computer is next to the CD player and I like plugging my headphones into it and listening to some songs.

We all get to have half of our morning tea and lunch time breaks inside on the computer. There are some really good games like <http://www.coolmath4kids.com/> and <http://www.superclubsplus.com/>.

We get to have the work that is just right because there are not many children and our teacher has more time to find the work that is just right for each of us.
