

PERSEVERANCE PRIMARY SCHOOL

Perseverance is a nice school. Every year we have a School Concert. When it is concert time we do art every day. We have chickens of our own. We can play with them at play time any time we want. We do Fitness every day. We get to play www.maths4kids.com on the computer before school every day. The kids at this school are friendly and they share. Their

names are *Eliza, Abby, Giada, Mia*
and
Brandon.
