

Perserverance Primary School

I like it here because at play times we get to go on the website that's called <http://www.coolmath4kids.com/>.

I like it here because I get to play with my school friends.

I like it when I go up levels on spelling tests.

I like doing Speedy Maths because I keep on getting better.

I like playing with Eliza because she is my best friend.

I like doing typing because, I get to type faster.

I like to have sleepovers at Perseverance Primary School because we ate rabbit stew and watched Karate Kid 1 and 2 before we went to sleep.

I like Perseverance Primary School because we get hard work. We learn things if it's hard work.

I like to do reading.

I like to do Targeting Math Labs because I'm happy when I finish the games.
